

Resolution Empowering the Membership Base of the Georgia Republican Assembly

Whereas, the Georgia Republican Assembly (GRA) is committed to upholding and promoting core Republican principles as outlined through the NFRA and our Platform;

Whereas, educating and informing new members on the intricacies of politics is vital for a well-informed and active membership;

Whereas, empowering members with a significant voice in endorsing candidates for party and public office is crucial for a thriving and representative organization;

Whereas, equipping members with the knowledge and resources to contest elections is key to replacing ineffective incumbents with dedicated Republicans;

Whereas, the endorsement process must be transparent, democratic, and based on a broad consensus, specifically a two-thirds majority, to ensure wide acceptance and strong support for endorsed candidates;

Whereas, the GRA distinguishes itself from other grassroots groups by empowering its members rather than being led by a controlling or financially motivated leadership;

Whereas, the real-world experience and education of our members are invaluable assets that surpass the limited perspective of career politicians and the paid political industry;

Whereas, the Georgia Republican Assembly Political Action Committee (GRA-PAC) focuses on financial support for endorsed candidates; the GRA prioritizes empowering as many Republicans as possible through accurate and effect endorsement of candidates who share our principles for party and public office

Be it resolved, that the Georgia Republican Assembly shall pursue the expansion of its membership base by engaging with individuals who share our republican principles;

Be it further resolved, that the GRA shall provide educational resources and opportunities to its members to enhance their political understanding and leadership skills;

Be it further resolved, that the GRA shall ensure that all members have a substantial role in the endorsement process, thus promoting a strong and empowering environment;

Be it further resolved, that the GRA stands committed to a transparent and broad-based endorsement process, requiring a two-thirds majority of those in attendance, to ensure the support and commitment of the membership for endorsed candidates;

Be it further resolved, that the GRA shall prioritize member empowerment over financial gains and shall avoid any alliances or practices that may lead to the co-optation of the organization by external interests;

Be it further resolved, that the GRA encourages all members who wish to see a favored candidate who shares our principles be endorsed for office, to encourage those people who support the favored candidate to apply to join the GRA to get the best candidate endorsed;

Be it finally resolved, that the GRA, while open to all who share its values, shall maintain a vigilant stance against individuals or practices that may be detrimental to the organization's principles and goals.

Adopted this 9th day of December, 2023, at the Georgia Republican Assembly Convention.
